Getting a new job

Laura: Steven, I applied for a job at a company downtown.

Steven: Really? I mean, I also did it.

Laura: Is it that IT company?

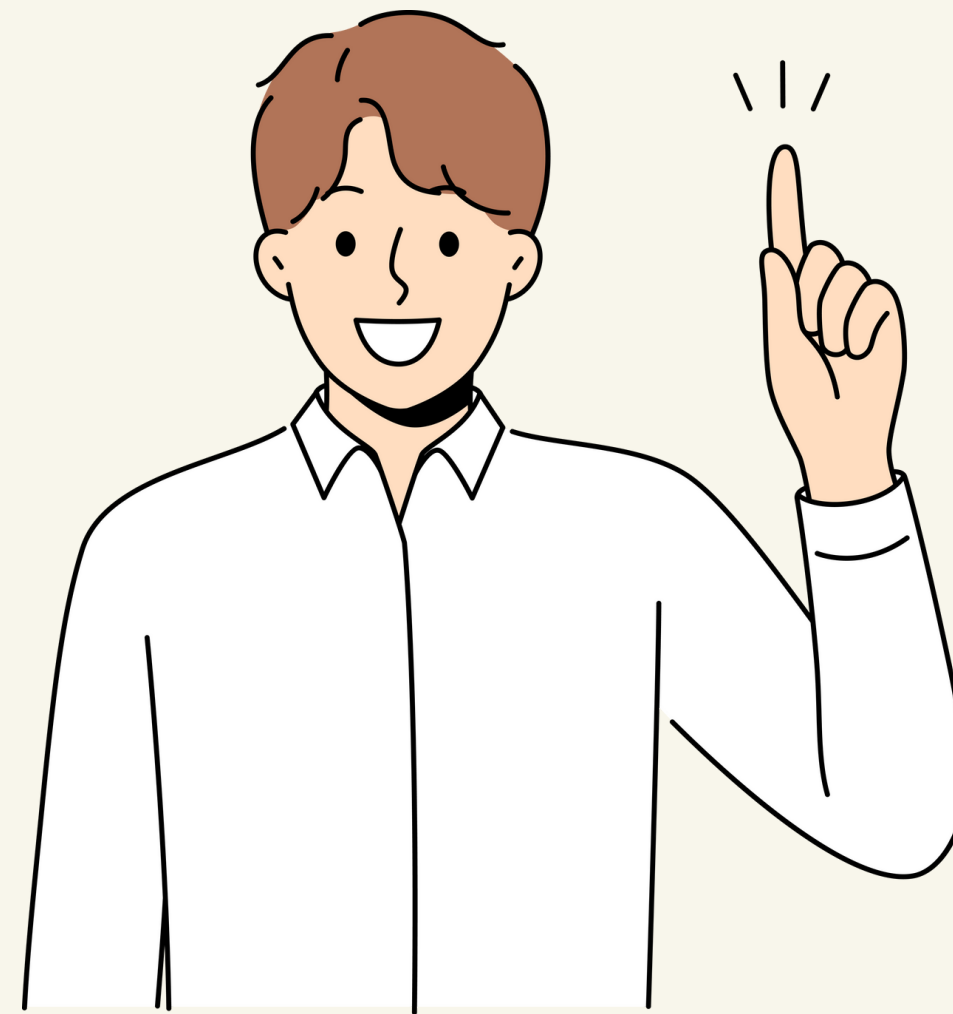

Steven: It is! No way! We applied for the same job.

Laura: That's crazy! But that's not a problem. We'll do our best to get this job, so it'll be a nice competition

Steven: Totally! Let's go!

**You own a company
and want to hire a
new person to work
there.**

**Analyze what the
interviewees said
and choose one.**

**Hi, I am Laura. I like
creative solutions and
I love team work.**

**However, I don't have
much experience.**

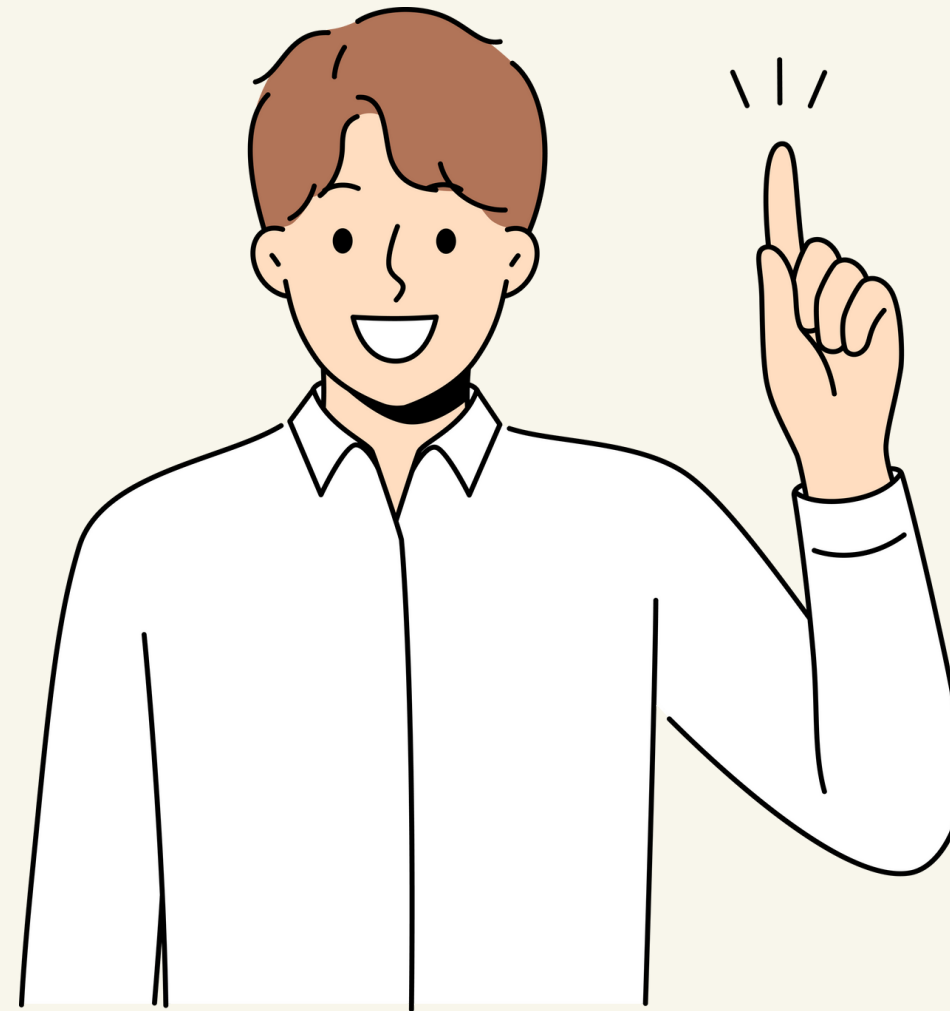

Hello, I am Steven. I believe the workplace can be both productive and fun

Although I already have some experience, I am still graduating from college.

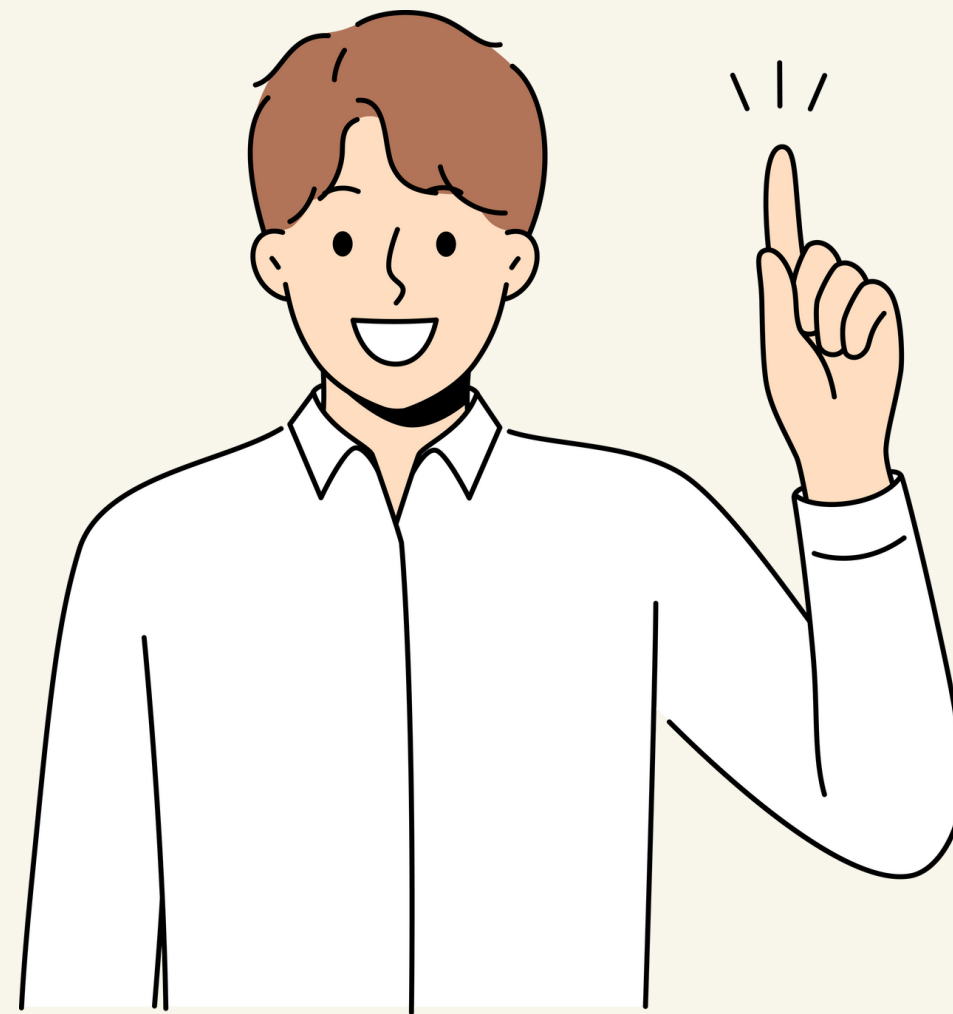

Based on the job interviews, which candidate will you choose?

Analyze not only what they said but also their body language, dress code, etc.
